EDUCATION

- B.S. University of Nebraska, 2001, with Honors
Major: Exercise Physiology (Pre-Med)
Minor Concentrations: Psychology, Philosophy, & English
Honors Thesis (Psychology): *A Comparison of Two Brief Interventions Designed to Promote STD & HIV Risk Reduction: Personal Narrative vs. Slide Presentation*
Thesis Advisor: Richard Dienstbier, Ph.D.
- M.A. University of Connecticut, 2006
Major Concentration: Social Psychology
Advisor: Jeffrey D. Fisher, Ph.D.
Thesis: *Within Person Variability in Predictors of HIV Risk and Preventive Behaviors: A Daily Process Analysis.*
- Ph.D. University of Connecticut, expected May 2007
Major Concentration: Social Psychology
Minor Concentration: Quantitative Research Methods
Advisor: Jeffrey D. Fisher, Ph.D.
Dissertation: *Alcohol Involved Sexual Risk Behavior Among HIV+ Individuals in South Africa: A Daily Process Approach*
Committee Members: Jeffrey D. Fisher, Ph.D., David A. Kenny, Ph.D., Howard Tennen, Ph.D., and Seth Kalichman, Ph.D.

RESEARCH POSITIONS

Research Assistant, Department of Psychology, 2001-2002
Washington University, St Louis, MO
Supervisor: Drs. Mitchell S. Sommers and Michael J Strube
Assisted in the design, execution and analysis of research on false memories, imagination inflation, and auditory/visual integration in older adults. Also, independent research on the influence of personality traits on auditory perception of valenced words.

*Graduate Research Assistant, Center for Health/ HIV Intervention and Prevention,
Department of Psychology, 2002 - present
University of Connecticut*

Supervisor: Dr. Jeffery D. Fisher

Conduct domestic and international HIV-risk reduction intervention research and related research. Assist in the writing of grants.

FELLOWSHIPS

David Zeaman Memorial Fellowship, University of Connecticut, 2002-2003

Summer Research Fellowship, University of Connecticut, 2003

Ruth L. Kirschstein National Research Service Award, Individual Pre-doctoral Fellowship,
NIMH/NIH, 2004-2007

HONORS and AWARDS

Honors Program Scholarship, University of Nebraska, 1996-2001

Canfield Scholarship, University of Nebraska, 1996

Commissioner's Honor Roll, Big 12 Athletic Conference, 1997-2000

Academic All Big-12, 1997

Mortar Board Notable, University of Nebraska, 2000

Superior Scholar, University of Nebraska, 2001

Graduated with Honors, University of Nebraska, 2001

Society for Personality and Social Psychology Student Travel Award, 2003

Travel Award, University of Connecticut, 2003

Scholarship to attend the South African AIDS Conference, Durban, South Africa, 2003

Scholarship to attend the XV International AIDS Conference, Bangkok, Thailand, 2004

Clarence J. Rosecrans Research Scholarship, American Psychological Foundation/APA, 2004

Scholarship to attend the 7th International AIDS IMPACT Conference, Cape Town, South
Africa, 2005

PUBLICATIONS

Kiene, S. M. & Barta, W. (2003). Personal narrative as a medium for STD/HIV intervention: A preliminary study. *Journal of Applied Social Psychology, 33*, 2327-2340.

Kiene, S. M., Fisher, J. D., & Fisher, W. A. (2005). Interventions in clinical settings. In S. C. Kalichman (Ed.), *Positive Prevention: Reducing HIV Transmission among People Living with HIV-AIDS* (pp. 219-244). New York: Kluwer.

Barta, W., & Kiene, S. M. (2005). Motivations for infidelity in heterosexual dating couples: The roles of gender, personality differences, and sociosexual orientation. *Journal of Social and Personal Relationships, 22*, 339-360.

Kiene, S. M., Barta, W. D., Zelenski, J. M., & Cothran, D. L. (2005). Why are you bringing up condoms *now*? The effect of message content on framing effects of condom use messages. *Health Psychology, 24*, 321-326.

Kiene, S. M., Christie, S., Cornman, D. H., Fisher, W. A., Shuper, P. A., Pillay, S., Friedland, G. H., & Fisher, J. D. (2006). Sexual risk behavior among HIV-positive individuals in clinical care in KwaZulu-Natal, South Africa. *AIDS, 20*, 1781-1784.

Kiene, S. M., & Barta, W. D. (2006). A brief individualized computer-delivered sexual risk reduction intervention increases HIV/AIDS preventive behavior. *Journal of Adolescent Health, 39*, 404-410.

MANUSCRIPTS SUBMITTED FOR PUBLICATION

Barta, W. D., Kiene, S. M., & Zelenski, J. M. (2005). *Approach and avoidance orientations bias evaluations of framed condom use messages*. Manuscript submitted for publication.

Barta, W. D., Kiene, S. M., Tennen, H., & Abu-Hasaballah, K. (2006). *Idiographic Analysis of Inconsistent Condom Use among Profoundly Disadvantaged Individuals Living with HIV: A Research Prospectus*. Manuscript submitted for publication.

Kiene, S. M., Tennen, H., & Armeli, S. (2006). *Today I'll Use a Condom, But Who Knows about Tomorrow: A Daily Process Study of Variability in Predictors of HIV Sexual Risk Behavior*. Manuscript submitted for publication.

MANUSCRIPTS IN PREPARATION

Bateganya, M., Kiene, S. M., & Bangsberg, D. (2006). *Home-based HIV voluntary counseling and testing in developing countries*. Cochrane Review Article in preparation.

Kiene, S. M., Tennen, H., & Armeli, S. (2006). *Alcohol involved sexual risk behavior: Evidence from a daily process study*. Manuscript in preparation.

Cornman, D. H., Kiene, S. M., Shuper, P. A., Pillay, S., Friedland, G. H., Fisher, W. A., & Fisher, J. D. (2006). *Efficacy of a counselor-delivered HIV risk reduction intervention for HIV-positive individuals in clinical care in urban KwaZulu-Natal, South Africa: A preliminary study*. Manuscript in preparation.

Kiene, S. M., & Kenny, D. A. (2006). *Centering in multilevel models for analyzing daily diary data*. Manuscript in preparation.

PRESENTATIONS at PROFESSIONAL MEETINGS

Kiene, S. M. (May, 2002). *Personal narrative as a medium for STD/HIV intervention in the college population*. Poster session presented at the annual meeting of the American College Health Association, Washington, DC.

Kiene, S. M., & Barta, W. (June, 2002). *Heterosexual dating infidelity: Individual differences in incidence and motivations*. Paper presented at the meeting of the Mid-continent and Eastern Regional Conference of the Society for the Scientific Study of Sexuality, Big Rapids, MI.

Kiene, S. M., Barta, W., Cothran, D. L., & Zelenski, J. (February, 2003). *Framing of condom-use messages: The distinction between relationship-threatening and preventative health behaviors*. Poster session presented at the annual meeting of the Society for Personality and Social Psychology, Los Angeles, CA.

- Kiene, S. M., & Barta, W. (July, 2003). *Motivation to use condoms and relationship status: Implications for prevention messages*. Paper presented at the 6th International AIDS IMPACT Conference: Biopsychosocial Aspects of HIV Infection, Milan, Italy.
- Kiene, S. M., & Fisher, J. D. (August, 2003). *Review of HIV prevention interventions with HIV+ individuals*. Paper presented at the South African AIDS Conference 2003, Durban, South Africa.
- Barta, W., Kiene, S. M., & Fisher, J. D. (February, 2004). *A computerized, individually tailored, condom use intervention based upon the IMB model of health behavior change*. Poster abstract published in the program of annual meeting of the Society for Personality and Social Psychology, Austin, TX.
- Christie, S., Kiene, S. M., Fisher, J.D., Friedland, G., Giddy, J., Pillay, S., Cele, M., Cornman, D. (May, 2004). *Integrating prevention into HIV clinical care in urban South Africa: Challenges and feasibility*. Paper presented at the 2nd African Conference on Social Aspects of HIV/AIDS Research, Cape Town, South Africa.
- Kiene, S. M., & Pérez-Jiménez, D. (July, 2004). *Comparison of a culturally-tailored model of condom use behavior in Puerto Rico and the U.S*. Poster session presented at the XV International AIDS Conference, Bangkok, Thailand.
- Kiene, S. M., Fisher, J. D., Cornman, D., Friedland, G., & Moll, A. (July, 2004). *Challenges of and possibilities for HIV prevention in the clinical care setting in KwaZulu-Natal, South Africa*. Oral presentation at the XV International AIDS Conference, Bangkok, Thailand.
- Kiene, S. M., Barta, W. D., & Fisher, J. D. (September, 2004). *Preliminary tests of an individually-tailored computer-delivered condom use intervention for college students*. Poster session presented at the annual meeting of the New England Social Psychological Association, Storrs, CT.
- Lombardo, N., Kiene, S. M., & Agocha, V. B. (October, 2004). *Perceptions of an ideal partner's sexual experience: Self and current partner similarity effects*. Poster session presented at the annual meeting of the New England Psychological Association, Providence, RI.
- Kiene, S. M., Tennen, H., & Armeli, S. (January, 2005). *I meant to use a condom...but I didn't: moderators of the behavioral intention—behavior link, evidence from a daily diary study*. Poster session presented at the annual meeting of the Society for Personality and Social Psychology, New Orleans, LA.
- Kiene, S. M., Tennen, H., & Armeli, S. (April, 2005). *Does within-person variability in condom use motivation predict behavior?* Poster session presented at the annual meeting of the Society of Behavioral Medicine, Boston, MA.
- Barta, W. D., Kiene, S. M., Tennen, H., & Abu-Hasaballah, K. (April, 2005). *Feasibility of interactive voice response technology among profoundly economically disadvantaged drinkers living with HIV*. Poster session presented at the annual meeting of the Society of Behavioral Medicine, Boston, MA.

- Kiene, S. M. & Barta, W. D. (April, 2005). *Efficacy of a computer-delivered condom use intervention*. Oral presentation at the 7th International AIDS IMPACT Conference: Biopsychosocial Aspects of HIV Infection, Cape Town, South Africa.
- Kiene, S. M., Tennen, H., & Armeli, S. (April, 2005). *Day-to-day variability in intentions to use condoms: Implications for condom use interventions*. Oral presentation at the 7th International AIDS IMPACT Conference: Biopsychosocial Aspects of HIV Infection, Cape Town, South Africa.
- Kiene, S. M., Fisher, J. D., Christie, S., Cornman, D., Pillay, S., Cele, M., Shuper, P., Friedland, G., & Giddy, J. (April, 2005). *Formative research for the development of a clinic-based HIV risk reduction intervention for HIV+ individuals in Durban, South Africa*. Oral presentation at the 7th International AIDS IMPACT Conference: Biopsychosocial Aspects of HIV Infection, Cape Town, South Africa.
- Kiene, S. M., Tennen, H., & Armeli, S. (March, 2006). *Alcohol use and risky sexual behavior: Evidence from a daily process study*. Oral presentation at the annual meeting of the Society of Behavioral Medicine, San Francisco, CA.
- Kiene, S. M., Christie, S., Cornman, D. H., Fisher, J. D., Shuper, P. A., Fisher, W. A., & Pillay, S. (March, 2006). *Sexual risk behavior among HIV-positive clinic patients in KwaZulu-Natal, South Africa: An opportunity to link prevention with care*. Oral presentation at the annual meeting of the Society of Behavioral Medicine, San Francisco, CA.
- Cornman, D. H., Kiene, S. M., Christie, S., Fisher, J. D., Shuper, P., Fisher, W. A., Pillay, S., & Friedland, G. H. (August, 2006). *Predictors of sexual risk behavior among people living with HIV/AIDS in KwaZulu-Natal, South Africa*. Poster presentation at XVI International AIDS Conference, Toronto, Canada.
- Kiene, S. M., Tennen, H., & Armeli, S. (August, 2006). *Negative affect and sexual risk behavior: A daily process approach*. Poster presentation at XVI International AIDS Conference, Toronto, Canada.

INVITED PRESENTATIONS

- Kiene, S. M. (October, 2004). *The art of grant writing*. Panelist on an Office of Sponsored Programs presentation, Storrs, CT.
- Kiene, S. M., & Barta, W. D. (March, 2005). *Using technology to collect idiographic data and promote behavior change*. Presentation at the Alcohol Research Center, Department of Psychiatry, University of Connecticut Health Center, Farmington, CT.
- Kiene, S. M., & Tennen, H. (March, 2006). *The promise of daily process designs to understand risky and health promoting behaviors*. Presentation at the Medical and Health Research Association (MHRA), New York, NY.
- Kiene, S. M. & Pillay, S. (May, 2006). *Izindlela Zokuphila/ Options for Health intervention outcomes*. Presentation at McCord Hospital, Durban, South Africa.

ACTIVE RESEARCH SUPPORT

National Institute of Mental Health, NIH, "*Dynamics of HIV Risk Behavior: A Daily Process Approach*," F31MH072547-01, 2004-07, (Principal Investigator).

This award supports research using a daily process approach to understand the psychosocial and social cognitive factors related to HIV risk behavior and alcohol-involved HIV risk behavior among HIV-positive South African individuals.

National Institute on Alcohol Abuse and Alcoholism, NIH, "*Alcohol Involved Sexual Risk Behavior among HIV+ Individuals*," R21AA015665-01A1, 2006-08, (Role: Statistician/Consultant, PI: William D. Barta). This award supports research using interactive voice response technology to investigate alcohol-involved sexual risk behavior among impoverished HIV-positive individuals in Connecticut.

COMPLETED RESEARCH SUPPORT

Health Psychology Division (38), American Psychological Association, "*Development of a Culturally-tailored Model of Condom Use Behavior*," Graduate Student Research Grant, Research in Ethnic Minority Health Psychology, 2003-04, (Principal Investigator).

This award supported the identification- and testing of a model incorporating cultural values that support condom use in the Puerto Rican community.

Society for the Psychological Study of Social Issues (SPSSI), "*Stress and Negative Affect: A Daily Process Study of HIV-Risk Behavior among HIV-Positive Individuals in South Africa*", Grants-in-Aid Award, 2004-05, (Principal Investigator).

This award supported research on the relationship between daily stress, negative affect and sexual risk behavior among HIV-positive individuals in South Africa.

Center for Health/ HIV Intervention & Prevention (CHIP), UConn, "*Physician-Delivered Prevention Intervention for HIV-positive Individuals in Urban South Africa*," CHIP Development Grant, 2004-05, (Role: Investigator; PI: Jeffrey D. Fisher).

The goal of this research is to develop and pilot test a physician-delivered HIV risk reduction intervention for HIV-positive individuals that is delivered in the clinical care setting in KwaZulu-Natal, South Africa.

Center for Health/ HIV Intervention & Prevention (CHIP), UConn, "*A Pilot Daily Process Study of HIV Risk Behavior Among HIV-positive Individuals Living in Poverty*," CHIP Seed Grant for New Investigators, 2004, (Role: Investigator; PI: William D. Barta).

This award supported a pilot daily process study of the predictors of alcohol-involved sexual risk behavior among impoverished HIV-positive individuals in Hartford, CT.

American Psychological Foundation (APA)/ Council of Graduate Departments of Psychology, "*Stress and negative affect: A daily process study of HIV-risk behavior among HIV-positive individuals in South Africa*," Clarence J. Rosecrans Research Award, 2004, (Principal Investigator).

PENDING RESEARCH SUPPORT

National Institute of Mental Health, NIH, "*Integrating HIV Prevention into Clinical Care for PLWHA in South Africa*," R01 (2007-2012), Submitted 5/1/06 received a priority score of 120, (Role: Investigator, PI: Jeffrey D. Fisher).

Department of Defense HIV/AIDS Prevention Program, "*Prevention for Positives in a Military Setting in Mozambique*," Submitted 9/15/06, (Role: Investigator; PI: Jeffrey D. Fisher).

Department of Defense HIV/AIDS Prevention Program, "*Increasing ARV Adherence in a Military Setting in Uganda*," Submitted 9/15/06, (Role: Investigator; PI: Jeffrey D. Fisher).

Department of Defense HIV/AIDS Prevention Program, "*Increasing ARV Adherence in a Military Setting in South Africa*," Submitted 9/15/06, (Role: Investigator; PI: Jeffrey D. Fisher).

RESEARCH IN PROGRESS

Development and testing of an HIV risk reduction intervention linking prevention with treatment for HIV+ individuals in KwaZulu-Natal, South Africa.

(R01 grant; with Jeffrey D. Fisher, Ph.D. (PI), University of Connecticut, Gerald Friedland, M.D., Yale University, Sandy Pillay, M.D., Nelson R. Mandela School of Medicine, South Africa, William A. Fisher, Ph.D., University of Western Ontario, Sarah Christie, MPH, Paul Shuper, Ph.D., and Deborah Cornman, Ph.D., University of Connecticut)

A daily process study of the psychosocial and social-cognitive determinants of HIV-risk behavior among people living with HIV/AIDS in South Africa. (Dissertation)

(NRSA Fellowship; with Jeffrey D. Fisher, Ph.D., University of Connecticut, Howard Tennen, Ph.D., University of Connecticut Health Center, and Leickness Simbayi, Ph.D., Human Sciences Research Council, South Africa)

A daily process study of HIV risk behavior and alcohol use among HIV-positive individuals living in poverty in Connecticut.

(R-21 grant; PI: William D. Barta, Ph.D., University of Connecticut and Howard Tennen, Ph.D., University of Connecticut Health Center)

Secondary data analysis of longitudinal data on sexual risk behavior among HIV-positive individuals in Uganda.

(with David Bangsberg, M.D., University of California San Francisco and Jeffrey D. Fisher, Ph.D., University of Connecticut)

A web-based daily process study of drug use and HIV risk behavior among men who have sex with men who seek partners online.

(with Howard Tennen, Ph.D. University of Connecticut Health Center and Sabina Hirshfield, Ph.D., Medical and Health Research Association, New York)

TEACHING EXPERIENCE

Teaching Assistant, General Chemistry II, University of Nebraska
Supervisor: John McLaughlin, Ph.D. (Spring 1998)

Teaching Assistant, Healthy Lifestyles, University of Nebraska
Supervisor: Jan Callahan, Ph.D. (Spring 2000)

Graduate Teaching Assistant, Introductory Psychology Laboratory, University of Connecticut,
Supervisor: Jay Rueckl, Ph.D. (2 sections, Fall 2002)

Instructor, Social Psychology, University of Connecticut
(Fall 2005)

Directed Independent Study Research Supervised:

Matthew Schmidt
Barbara Walls
Sarah Kowaleski
Nicole Lombardo
Abigail Gifford
Michael Regan
Teresa Cunio

Senior Theses Supervised:

Nicole Lombardo, 2004: *Perceptions of an Ideal Partner's Sexual Experience: Self and Current Partner Similarity Effects.*

JOURNAL REVIEWING

Ad-hoc reviewer:

Health Psychology
Health Education & Behavior
AIDS Care
Personal Relationships
Journal of Health Psychology
AIDS and Behavior
Journal of Adolescent Health

PROFESSIONAL AFFILIATIONS and SERVICE

American Psychological Association

Society for the Psychological Study of Social Issues (Division 9)

Society for Personality and Social Psychology (Division 8)

Division of Health Psychology (Division 38)

International Association for Relationship Research

Society of Behavioral Medicine

Program Committee, APA Conference, Program Reviewer,

Society for the Psychological Study of Social Issues (Division 9) 2003, 2004, 2005,
2006

Elected Member-at-Large, *Society for Personality and Social Psychology (Division 8)*
Graduate Student Committee, 2004-2005
Organizer, Career Development Pre-Conference at 2005 Society for Personality and Social
Psychology Annual Meeting
Session Chair, 7th International AIDS IMPACT Conference, Cape Town, South Africa, 2005

UNIVERSITY AND COMMUNITY SERVICE

Student-Athlete Advisory Board, University of Nebraska-Lincoln, 1998
Chancellor's Commission on the Status of Women, University of Nebraska-Lincoln, 1999-2000
Nebraska Urban Indian Medical Center, Volunteer Interviewer, 1999
NU Connections, Minority Mentor, 2000
Lincoln/Lancaster County Department of Health, HIV/AIDS Prevention Counselor, 2000-2001
Nebraska Department of Health, *REACHOUT*: HIV Prevention Program Member, 2000-2001
Graduate Admissions Committee, Social Psychology Division, University of Connecticut, 2004
Grant Review Panel, Pilot Projects in Health Intervention & Prevention Research for Graduate
Students, Center for Health/ HIV Intervention & Prevention Grant Competition, 2005

EMPLOYMENT

Director of Anonymous HIV Testing Site & Coordinator of Peer Sexuality Educators
1999-2001

University Health Center

University of Nebraska-Lincoln

Set-up and directed the first anonymous HIV testing site in the city of Lincoln.
Counseled individuals and performed HIV tests at the HIV testing site. Coordinated
peer sexuality education program. Directed recruitment activities, developed
programming, conducted program evaluation and provided leadership and direction to
the *Peer Sexuality Educators*.

Intern

Behavioral Science Division, 2000

Cooper Institute for Aerobics Research

Dallas, TX

Assisted in data collection for a study assessing the most effective amount of exercise
as a treatment for depression. Wrote and revised certification exam for Health
Promotion Director course.

Health Promotion Director

eSellerate, Inc., 2001

Lincoln, NE

Designed and implemented a Health Promotion Program for a small software
company.
